THE BENEFITS

TGI(M/T/W/Th) is the new TGIF.

ROTATING SCHEDULE

THE GOING KEEPS ON GOING

Take the stress out of having to come up with weekly, monthly, or quarterly themes - Food For Thought has you covered by providing a quarterly schedule with a variety of options and experiences that you can customize.

GIFTS AND TREATS

IT'S THE THOUGHT THAT COUNTS

Not all of our Happenings events are geared towards a bite to eat. Some feature gifts and treats for others such as Valentines Day, Earth Day and Halloween which keeps your team members seasonally inspired.

INTERACTIVE STATIONS

DO IT YOURSELF

Keep the office on their toes by delivering a variety of different experiences. Happenings range from guests building their own hot chocolate, a chef onsite for Mardi Gras making bananas foster, or live edutainment that teaches the team how to make great food.
